

## Introducing Veterans Physiotherapy + Exercise Physiology Program

Dear Hornsby, sub-branch members,

We are happy to introduce our veterans tailored healthcare service made available for all current and ex-service men and women. All White and Gold card holders are eligible!

- Receive one-on-one Physiotherapy & Exercise Physiology treatment fully funded by DVA for Gold and White card holders.

### Location:

Our Hornsby clinic is located inside the Fitness First at Hornsby.

- Address: 10 Muriel St Hornsby 2077

### Benefits of the program:

- Exercise programs working on Strengthening, Balance, and Mobility
- Falls Prevention & Balance training
- Hands on treatment (massage, joint mobilisations, and dry needling)
- Chronic disease management and injury rehabilitation
- Free parking, and access to a gym facility
- Equipment deliveries (e.g., knee/ankle braces, back supports equipment)  
DVA funded

### Requirements for this service:

⇒ Entitled DVA clients may be referred by their GP with a valid D904 referral form. This referral can be requested online by our practitioners for your ease!

Our veterans program values the importance of self-management, personalised care, and excellent service. Get started today!
